

Dissent Network Australia

4 June 2013

Dissent Network Australia was set up in 1993 as a list of individuals potentially willing to comment or take action on issues related to the suppression of dissent. The list has not been maintained for quite a number of years. The coordinators of the list, Isla MacGregor and Brian Martin, have therefore decided to remove the full list from the web. You are welcome to contact Isla or Brian with your concerns. They may be able to refer you to others who can help.
