

***Polycheles martini*, new species**

**Etymology: Named in honour of Brian Martin,
University of Wollongong, New South Wales, for his contributions
on power and suppression in science.**

Shane T. Ahyong & Diane E. Brown, 2002. New species and new
records of Polychelidae from Australia (Crustacea: Decapoda).

The Raffles Bulletin of Zoology 50(1): 53-79.
