

STS390, “Media, war and peace”

Model interview questions

Students can pick any issue involving war, peace, violence or nonviolence. For the sake of illustration, the Iraq war is used in the following questions. The organisation is called TEO (The Exemplary Organisation).

Questions for organisation members

1. What sorts of comments or questions does TEO receive concerning the Iraq war?
2. What sorts of comments or questions about the Iraq war might TEO potentially receive?
3. What sort of orientation would TEO want to take concerning the Iraq war?
4. What sort of information about the Iraq war would be useful to TEO members?

Questions for audience members

5. What do you know about TEO?
6. Is there anything you'd like to know about TEO's relationship to the Iraq war?
